## Workshop & RF Exposure Training

October 23 – 26, 2023 \* Baltimore and Online \* [www.tbcouncil.org](http://www.tbcouncil.org)

Dear TCB Council Colleagues,

The TCB Council is pleased to [host](#) our Fall 2023 In-Person and Online Workshops from October 23-26, 2023. This will be held as 2 separate 2-day events, with a special 2-day RF Exposure Training occurring on Monday-Tuesday, October 23-24, 2023 and the 2-day Workshop occurring from Wednesday-Thursday, October 25-26, 2023. You may [register](#) for either or both events.

**Here are the details for the TCB Council Fall 2023 Workshop events to be held in-person in Baltimore and online, October 23-26, 2023.**

**Hotel Room Reservations:** We have a limited number of rooms available for \$153/night at the Marriott Inner Harbor at Camden Yards. Make your reservations soon before they are gone. Our room block will be held until September 21. <https://book.passkey.com/go/TCB2023>

### **Monday-Tuesday, October 23rd -24th – RF Exposure Training**

This 2-Day event will cover a wide range of aspects of RF Exposure, from the history and introduction, to the technical parameters, measurement procedures, regulatory requirements, KDB guidance and inquiries and reporting/reviewing.

### **Wednesday-Thursday, October 25<sup>th</sup>- 26<sup>th</sup> – The TCB Council Workshop.**

The Workshop includes 2 intensive days of presentations from ISED, FCC, NIST, and other industry leaders. Formal presentations, resources and live peer discussion will share the knowledge you need to stay on-top of regulatory changes while also looking to the future. Facilitated panels and open forums will offer discussion of regulatory affairs from product design, laboratory testing, and TCB perspectives. The world of wireless communications is changing rapidly. Take advantage of this opportunity. Topics include:

- FCC Updates and Discussions
- ISED Canada and NIST Updates
- REDCA and other international Updates
- KDB Sharing Session

**Join us Live.** The Workshop will be held at the Marriott Inner Harbor at Camden Yards. The benefits outweigh the costs for face-to face participation. Social networking and in-person professional exchanges make face-to-face participation a bonus. With rapid, impactful changes in the regulatory environment, peer discussion and expert interactions are critical to moving forward together. [See the networking value of the Workshop.](#)

**Social Event** will be held on Wednesday, October 25 at the Pratt Street Ale House for in-person participants.

Presentation materials, resources and videos will be available for 10 days following the Workshop. All paid registrants will have access to the TCB Council's [LMS](#). Of course, each participant is restricted to one device per registration.

**Member Discounts.** Members of the TCB Council login to receive your discount for each paid registration. In-person seats will be limited so send in your registration now.

[The \*\*Agenda\*\* for the RF Exposure Training and the Workshop \(version 5\) is available here \(details are subject to change\).](#)

**Register Now.** Late registration fees are automated and will apply to any and all registrations after **October 13<sup>th</sup>, 2023**.

**Interested in Basic Training for new personnel?** The Basic Training on-demand launched this summer. The online Basic Training replaces our in-person Monday event. The all-new modular format is hosted on the TCB Council's new LMS. Registration is open.

**Questions.** Please register now for these essential training Workshops. Call or email me with any questions, [admin@tcbCouncil.org](mailto:admin@tcbCouncil.org) or 443-622-3300.

Regards,

Chris Harvey  
Executive Director  
The TCB Council, Inc.
